## THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

### Official Notification of Rights Under FERPA

Student education records are official and confidential documents protected by the Family Educational Rights and Privacy Act (FERPA). Educational records, as defined by FERPA, include all records that schools or education agencies maintain about students. FERPA affords students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review their records. Students should contact the Office of the Registrar to determine the location of appropriate records and the procedures for reviewing such records.
2. The right to request that records believed to be inaccurate or misleading be amended. The request should be submitted in writing to the office responsible for maintaining the record. If the request for change is denied, the student has a right to a hearing on the issue.
3. The right to consent to disclosures of personally identifiable information contained in the student's educational records. Generally the College must have written permission from the student before releasing any information from the student's record. FERPA does, however, authorize disclosure without consent in certain situations. For example, disclosure without consent can be made to school officials with a legitimate education interest in the record.

A school official is a person employed by the institution in an administrative, supervisory, academic, research or support staff position; a person or company with whom the institution has contracted (i.e., an auditor, attorney or collection agency); contractors, volunteers, and other non-employees performing institutional services and functions; a person serving on the Board of Trustees; a student serving on an official committee or assisting another school official in performing his/her task. A legitimate education interest exists if the school official needs to view the education record to fulfill his or her professional responsibility.

Upon request, Morningside College will disclose education records, without consent, to officials of another school in which the student seeks or intends to enroll.

Morningside College may also disclose "directory" information without the student's prior consent. Directory information is defined as:

- Name
- Local and permanent addresses
- Telephone number(s)
- E-mail address
- Date and place of birth
- Major or field(s) of study
- Dates of attendance
- Grade level
- Enrollment status (FT/PT; undergraduate/graduate)
- Degrees, awards, and honors received and dates
- Expected date of completion of degree requirements and graduation
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Most recent educational institution attended
- Photograph

Students have the right, while enrolled, to prevent directory information from being released. In order to maintain directory information as confidential, a student must sign a non-release form in the Registrar's Office by the end of the first week of the semester. This release restriction is effective for one academic year only and must be renewed each year. If a student requests non-disclosure of directory information in his or her last term of attendance, that request will be honored until the student requests its removal.

A student should carefully consider the consequences of a decision to withhold directory information, as future requests for such information from other schools, loan or insurance companies, prospective employers or other persons or organizations will be refused as long as the request for non-disclosure is in effect.

Students may indicate on CampusWeb that they would like non-disclosure of directory information, and all college personnel should honor this request. However, official notification of non-disclosure must still be made in writing at the Registrar's Office.

4. The right to file a complaint with the U.S. Department of Education concerning an alleged failure by the institution to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Ave. S.W.  
Washington, D.C. 20202-605  
Phone: (202) 260-3887  
Fax: (202) 260-9001

## **FALL SEMESTER 2021 (2022/10)**

Each student should meet with his/her advisor according to the advising schedule below to determine a schedule for the 2022/10 Fall Semester.

On the assigned date for registration (see registration schedule below) you will go into CampusWeb and enter your own registration, as determined by you and your advisor. Once you submit your registration, it will go to your advisor for approval or rejection. When you receive notice (via campus e-mail) that your registration has been approved, you may check your schedule for the 2021 Fall Semester on CampusWeb. If you are not allowed to register for an individual course, you should submit all other courses and then go to your Advisor to add the final course(s). You may change your own registration on line as long as it is done during the designated times for your class. After that time you will need to go to your Advisor to submit any changes.

An instructional video on how to register online can be found at the bottom of the [Advising / Registration Resources](#) webpage.

**\*\*ADVISING AND REGISTRATION DAYS WILL BE DETERMINED BY CLASS STANDING. YOUR CLASS STANDING IS DETERMINED BY THE NUMBER OF HOURS COMPLETED AT THE TIME OF ADVISING AND REGISTRATION. THIS TOTAL CAN BE FOUND ON CAMPUSWEB.\*\***

### **ADVISING SCHEDULE**

Advising for Seniors (91 hours or more)	February 18 (Thursday) – March 5 (Friday)
Advising for Juniors (58-90.99 hours)	February 18 (Thursday) – March 5 (Friday)
Advising for Sophomores (27-57.99 hours)	February 18 (Thursday) – March 19 (Friday)
Advising for Freshmen (less than 27 hours)	February 18 (Thursday) – April 9 (Friday)

### **REGISTRATION SCHEDULE**

Registration for Seniors (91 hours or more)	March 14 (Sunday 10pm) – March 19 (Friday noon)
Registration for Juniors (58-90.99 hours)	March 14 (Sunday 10pm) – March 19 (Friday noon)
Registration for Sophomores (27-57.99 hours)	March 21 (Sunday 10pm) – March 26 (Friday noon)
Registration for Freshmen (less than 27 hours)	April 11 (Sunday 10pm) – April 16 (Wednesday noon)
Re-open Online Registration for all Undergraduate students	April 20 (Tuesday) – May 11 (Tuesday)

On April 26th registration will be open to unadmitted students. New freshman and transfer students may register on/or after May 10<sup>th</sup>. Post-Secondary and Senior Scholar students may register after June 30<sup>th</sup>.

## **VALIDATION OF REGISTRATION, August 24**

All students carrying 9 or more credits, including those registering on August 24<sup>th</sup>, must complete all registration procedures. **Validation must be completed online no later than 5:00 pm on August 24<sup>th</sup>.**

### **REGISTERED STUDENTS**

#### **Validation process will be online via Campus web.**

There will be no schedule changes made on Validation Day. Drop/Add will be made by your Advisor online. Advisors will submit Add/Drops online using the Mach Add/Drop form located on the Registrar's Office Forms Page.

### **STUDENTS WHO HAVE NOT PRE-REGISTERED FOR CLASSES**

New students who have not pre-registered for the Fall term may do so on August 24, 2021. Registration materials may be obtained in the Admissions Office, and there will be faculty available for assistance in scheduling. Upon completion of the registration form, materials **must** be returned to the Registrar's Office where pre-registration will be processed.

Returning students who have not pre-registered will need to meet with their advisor as soon as possible, beginning August 24<sup>th</sup>, to determine a schedule. Upon completion of the registration form, materials **must** be returned to the Registrar's Office (online add/drop mach form) where pre-registration will be processed.

**NOTE: IN ORDER TO AVOID CLOSED CLASSES AND DELAYED PROCESSING, IT IS TO YOUR ADVANTAGE TO REGISTER DURING THE ADVANCE PRE-REGISTRATION PERIOD IN March/April.**

### **PASS/FAIL COURSES**

The pass/fail option form must be filed in the Registrar's Office within the first week of the semester (by September 1<sup>st</sup>). A student may elect no more than four hours of pass/fail per semester, nor exceed a total of 16 semester hours of pass/fail in a four-year degree program. No change from pass/fail option to letter grade may be made after September 1<sup>st</sup>.

Only totally "free" electives may be used in this option. This excludes all courses in major or minor areas, the core or general studies requirements, professional courses, and any course required by the college or licensing agencies.

## **AUDIT**

To audit a course, a student must have the signature of the instructor. The student must register for the course as an audit within the first week of the semester, or within the first two days of a summer session. Completion of a form (available at the Registrar's Office) will document the audit.

The audit option is available to encourage students to explore unfamiliar fields or to experiment with new interests. Audit enrollment in courses provides students the opportunity to attend a class as a noncredit participant. Audit courses may not be used in a major, minor, or general education requirement, or any other graduation requirement. They may be used only as electives. Students may not register to audit internships, tutorials, studio art, applied music, music ensembles, or other courses that, by their nature, are inappropriate for auditing, as determined by the college.

Students who audit a course are expected to attend a minimum of two-thirds of the class meetings, but are not responsible for papers, tests, or other graded assignments, nor will the instructor be expected to evaluate such work. For more information on the audit, consult the College Catalog.

An audited course is considered a part of the regular class load and may not be carried as an academic overload (more than 18 hours) without permission. If the audit course causes an academic overload, hours above 18 hours will be charged at the hourly overload tuition rate.

## **INDEPENDENT STUDY**

Students capable of doing significant independent work may choose to pursue independent study. Independent study provides students with an opportunity to undertake a program of supervised reading, research, or artistic production not provided within existing courses. Independent study is open only to students who have attained junior or senior standing and have a cumulative GPA of at least 2.50. A maximum of one independent study in any semester, three in total, is permitted. Completed independent study papers must be presented at the time of registration. Late independent study forms will require an add/drop card.

## **INTERNSHIP**

Internships are assigned from 1 to 8 credit hours. A student may take more than one internship, but no more than 8 credits of internship may apply toward the 124 credit hours required for graduation.

To register for an internship, a student must have sophomore standing or have completed at least one semester at Morningside College. An internship may be undertaken only in the student's major or minor field of study. Students must minimally be in good academic standing (not on academic probation) to register for an internship. Departments may require higher academic standards.

Students are expected to complete a minimum of 40 hours of field experience for each credit hour earned.

The student and faculty supervisor are responsible for the academic soundness of the proposal. Internships will be graded in accordance with standard letter grade policy. Internships may begin and end at any time during the academic year or summer. The student should register for the term during which the majority of the work will be completed.

Internship proposals will have an established amount of credit, a description of the experience, a statement of the educational objectives, and a means of evaluation.

## FINANCIAL AID

Students enrolled for six hours or more per semester may be eligible for financial aid programs. Both full- and part-time students must be formally admitted to Morningside College before receiving financial aid. For information on financial aid programs and application procedures, contact Student Financial Planning on the second floor of Lewis Hall or at (712) 274-5159.

## REPEATED COURSES

A student may repeat a course more than once. Credits for that course, however, may be counted only once when figuring total hours toward graduation. See your advisor for information and the Registrar's Office for the necessary form.

## FINAL EXAM SCHEDULE

Final examinations for the 2021 Fall Semester will be Monday, December 13th -Friday, December 17th . Scheduled times for the examinations will be published at a later date.

## GENERAL GUIDELINES FOR FINAL EXAMS

Final exams occur during the last few days of each semester. All classes should meet during the final exam period—even those in which no exam is given.

1. All final examinations must be given during the final exam period.
2. Instructors are not required to give final exams; however, the final exam class period must be used for class instruction or some other class activity.
3. Extra-curricular activities may not be scheduled during the final exam period. These activities include: athletic events, trips, dramatic productions, operation of the campus radio station, music recitals, faculty committee meetings, student organization activities, and other similar activities.
4. All classes scheduled at traditional times receive one exam class period during finals.

## PREREQUISITES AND INFORMATION

Specific course prerequisites are listed; assumed prerequisites exist relative to a student's class standing (FR, SOPH, JR, SR) and are explained in the current catalog. The responsibility for meeting prerequisites rests with the student.

## COURSE DESIGNATORS:

**\*\*The College reserves the right to change instructors or cancel or otherwise change courses should conditions require. However, every attempt is made to maintain this schedule as published.\*\***

**\*\*In order to more evenly distribute students between various sections of courses, the college also reserves the right to move a student to a different section of a course provided there are no course conflicts. If a student has any other types of conflicts (i.e., work, athletic practice, music rehearsal, etc.), he/she will need to get approval from the Associate Vice President of Academic Affairs to maintain the original schedule.\*\***

**\*\*Students are responsible for knowledge of the information contained in the College Catalog concerning degree requirements and regulations regarding registration and withdrawal procedures.\*\***
